I have not been able to understand the position clearly. The Director evidently feels that the excess profits are available wholly as part of working capital but in the budget it is seen that a sum of Rs 17,627, has been credited to the final accounts for 1932-33. What exactly is the position after end 1933-34. Maybe clearly explained.

What is the present working advance? The past remarks of the Director's proposals.

Returned with compliments.

(1) Profits to end of June 34 have been adjusted by credit to '28 Industries & Commerce (4)v Badanaval Spinning Centre Deduct Receipts' and debit to '15A Industrial Deposits viii Badanaval Spinning Centre Deposits' in the books of this office, but the amount has not been remitted by the Department. The treasury balance of the Centre has not been correspondingly reduced to avoid inconvenience to the concern. Hence these profits are available to the concern as working advance.

(2) Out of these accumulated profits, a sum of ~~Rupees~~ As 8885/ was transferred to the working advance account to raise it to Rs.30,000 (Vide G.O.No.D.1048-9/I&C.13-31-4 dated 15-8-31) and a sum of Rs.4921 was utilised for fixed capital expenditure to end of June 34 under various Government Orders. The profits which still remain to be surrendered are Rs.5597 at the end of June 34 according to the unaudited Balance sheet as on 30-6-34. If any amount is required for capital expenditure, needful grant has to be sanctioned under "28 I & C. 4 Demonstration Experimental work (v) Badanaval Spinning Centre Capital expenditure and the accumulated profits should be surrendered to Government.

(10) The present authorised working capital is Rs.30,000.

(11) Reference is also invited to this office U.O.No.409/IAD. dated 15-11-33 in this connection stating that vote of legislature is necessary to any addition to working capital.

NOTE.—Contn. Sheet.

WD 0955—GPB—22,500—12-6-34

By request
for Comptroller 15.12

181.2/34

(12) The Comptroller's note explains the present position. As the profits to the end of June 1934 have been adjusted in the Comptroller's books for 1933-34, the amount required for capital expenditure has to be sanctioned as an additional grant under "28. Industries and Commerce -- 4 (v) Badanval Spinning Centre -- Capital expenditure". If the profits during the current year (taken as nil in the budget) are likely to be more than the amount of capital expenditure proposed to be incurred, there will be no need to approach the Legislative Council for an extra grant, as there will be no excess over the net grant.

(13) As I have pointed out in another file, returned to-day (I.& C. 99 of 1933) the profits of each year must be transferred from the personal deposit account to the service head (Deduct Receipts), and any capital expenditure to be incurred should be covered by a grant under the service head "28. Industries & Commerce" and should appear under this head in the Accounts.

(14) To sanction new items of capital expenditure which are after all optional in character and not immediately necessary, is not in accordance with the Budget procedure. The amount of expenditure proposed is comparatively large. It should properly speaking be considered and included in the next year's budget. Only a smaller amount that may be considered immediately necessary may be sanctioned provided it can be met out of the existing Budget provision without necessitating an extra grant.

(15) Dr I J C maybe consulted. Draft

OFFICE OF THE DIRECTOR,

Dated Bangalore, 5th Septr. *193.* 4

FROM

DEVELOPMENT SECTION 6 SEP. 1934 No. 1161

A. V. RAMANATHAN, ESQ., B.A.,
Director of Industries and Commerce in Mysore,
Bangalore (India).

M. Venkatanaranappa, Esq., B.A.,
Secretary to the Government of Mysore,
Development Department, Bangalore.

SIR,

Badanval Spinning Centre - Capital Expenditure during 1934-35

I have the honor to state that the Manager, Badanval Spinning Centre, represents that a sum of Rs 2,650/- is required for expendi-ture on several items of works and their particulars are noted in the margin. The urgency and necessity for incurring the expenditure on these items have been explained by the Manager in detail in his letter No. 271 dated the 23rd August 1934, a copy of which is submitted herewith for the information of Government. I have examined the matter in detail and find that all the works referred to by the Manager are to be executed as an urgent measure. I therefore request that sanction of Government may be kindly accorded for the estimate of Rs 2,650/- submitted by the Manager, Badanval Spinning Centre. The Manager will submit detailed estimates under each of the items for my scrutiny and approval before the work, parti-cularly, items 1 and 2 are taken on hand.

Buildings	1,600
2 Carding Machines	600
Cotton Storeroom	300
Furniture	120
	2,620
For rounding	30
	2,650

There is no amount provided in the current year's budget of the Department for capital expenditure of the Badanval Spinning Centre. The entire amount of Rs 2,650/- will be met from the accumulated profits at the disposal of the Circle which stand at Rs 5,091-8-8 as at the end of the last official year. The Capital expenditure on the circle during the last year also was sanctioned to be met from the same source.(Vide G. O. No. D. 1134-45/I & C 56-32-2 dated the 4th Septr. 1933).

I request early orders of Government in the matter.

I have the honor to be,
Sir,
Your most obedient servant,

Director.

USC)3

271

23rd August 1934

The Director of Industries
and Commerce
in Mysore, Bangalore.

Subject:- Capital grant for 1934-35.

Dear sir,

There is no provision in the Budget of the State for Capital works of this Centre. Last year Rs. 920/- had been sanctioned for buildings and furniture requirements out of accumulated profits. (G.O. No. D. 1134-35/ I & C 56-32-2 of 4-9-1933. Besides the above, the following items of expenditure were sanctioned.

Rs. 650/-	for	Gigger (G.O. No. D.2261-62/ I&C 106-33-2 dated 14th November 1933.	
" 50/-	"	Cotton store (D2.117/33-34 dated 9-5-34.	D. Circular Sir.
" 300/-	"	weaving shed and Weavers quarters.	(L2-107/33-34 of 16-11-33. (L2-379/30-31 of 6-4-1934.
Rs. 1,000			

Thus the total Capital expenditure was Rs. 1,920/- during the year 1933- 34.

During the current year the following programme of Capital expenditure has to be incurred.

1. 1) Buildings:-

The Dyeing shed and quarters at Nanjanagud require the mud plaster of walls to be replaced by mortar plaster. A latrine is to be constructed. The Dye-shed windows require shutters with glass panels and all the outside windows must be provided with expanded metal screen. A lumpsum of Rs. 200/- is required for these items.

2) At Badanaval Head-office, the thatched dwelling quarter provided for the Account's Clerk is becoming dilapidated. A permanent one has to be put up. The estimated cost being Rs. 500/- has to be provided for this year. For putting up bathing rooms and other permanent improvements of the prest dwelling quarters, a sum of Rs. 150/- is required.

3) In the office stores shed, rearrnagements of space has to be effected for office, finished goods stores, and raw-material stores, for which two expanded metal screens of 20' x 9' each with a door are to be got made. These together will cost Rs 150/-.

4) For the ~~present~~ permanent location of the branch office on the Ooty Road-side, it is necessary to construct quarters at a convenient place like Begur or Garaganallihindi. The suggestion had been called for by the Director in his memo No. Cl.51/33-34 dated 23-11-33 consequently upon the Kamarahalli Travellor's Bungalow being unavailable for the purpose. Rs 600/- may be provided this year. The total amount under building comes to Rs 1600/-.

11. Carding machines:-

Two machines were got made in 1932-33 at a cost of Rs 360/- at the Chamarajendra Technical Institute Mysore. ~~xxxx~~ Last year, I had applied for two more machines being made. This was put off.

The carding machine has been well established and the spinners greatly appreciated its use. At ~~xxxxx~~ present, there are six machines of which one is under repairs. These serve only some 300 spinnersin the neighbourhood of Kabbahalli. Other beanch Centres are clamouring for the bringing in carding - machines. If four machines are ~~xxxx~~ got made at a time, the total cost may be within Rs 600/-. This may be kindly got sanctioned. The production of fine yarn will increase as a result.

111. Cotton-store:-

A cotton-store in zinc-sheets has to be constructed to accomodate 2000 maunds of kapas. The cost a shed of floor space, 300 square feet by 8 feet hight will come up to Rs 300/-. This is a pressing necessity, because, we are now stocking the cotton bags at Nanjanagud Dye-house and in one of the weaver's quarters for want of suitable accomodation and so cotton is not now sufficiently protected against the ravages by rats.

1V. Furniture:-

Rs 120/- may be alloted for buying ofnecessary - furniture. We have no arrangement to preserve old records of accounts and files. A couple of cloth folding tables are needed and also additional stands for keeping yarn stock in the production section.

The items are 1) Buildings	Rs	1,600/-
11) Carding machines	"	600/-
111) Cotton-store	"	300/-
1V) Furniture	"	120/-
	"	2,620/-

I request that Government may be kindly approached for the setting apartof the above amount for Capital works this year. The source is the accumulated profits of the Centre, which stands at Rs 5,091-8-8 for the year ending 30-6-34 per balance sheet.

I shall submit detailed estimates for sanction by you in exeeuting the works, after approval of Government for the general amount.

I remain sir,
Yours sincerely,
S. V. Rajaramiengar
manager.

GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE

General and Revenue Secretariat /8 C

Bangalore, Dated 8th January *193* 5.

No. D4546
14, 52-84-2

From

The *Secretary to the Government of His Highness the Maharaja of Mysore,*
Development Department.

To

The Director of Industries & Commerce in Mysore,
Bangalore.

Sir,

With reference to your letter No.D.2-103/34-35 dated 6th September 1934 recommending sanction to an estimate of Rs.2,650/- required for expenditure on several items of work of the Badanaval Centre during the current year and to meet this expenditure from the accumulated profits at the disposal of the circle, I am directed to state that the profits of the concern to the end of June 1934 are reported to have been adjusted in the Comptroller's Books for 1933-34, and not the amount required for capital expenditure has to be found as an additional grant under '28 I. & C. 4 IV Badanval Spinning Centre, Capital Expenditure'. The profits for each year have to be transferred from the personal deposit account to the service head (Deduct Receipts) and any capital expenditure to be incurred has to be covered by a grant under the same head. I am also to add that to sanction new items of capital expenditure which are optional and not immediately necessary, is not in accordance with the Budget procedure; and as the amount of expenditure now proposed is comparatively large it has to be properly considered and included in the next year's Budget. Only a smaller amount that is considered immediately necessary for the expenditure in question may be applied for and a suitable provision in the Budget pointed out to meet the additional cost, without necessitating an additional grant.

I am to request you to kindly send proposals for the

the capital expenditure of the Badanval circle suitably revised on the above lines.

I have the honour to be,

Sir,

Your most obedient servant,

Secretary to Government,

Development Department.

OFFICE OF THE DIRECTOR,

Dated Bangalore, 30th March *1935*

FROM S. Abdul Wajid, Esq., B.A.,
Director of Industries and Commerce in Mysore,
Bangalore (India).

To

M. Venkatanaranappa, Esq., B.A.,
Secretary to the Government of Mysore,
Development Department, Bangalore.

4647

SIR,

Badanval Spinning Centre - Capital Expenditure - 1934-35

With reference to your letter No. D. 4546/I & C 52-34-2 dated the 18th Jany. 1935 calling for revised proposals regarding the capital expenditure necessary in the case of the Badanval Spinning Centre and directing that suitable provision in the Departmental Budget for meeting the same may be pointed out, I have the honor to state that the Manager, Badanval Spinning Centre, reports that the marginally noted items of work are urgently necessary and requests that a sum of Rs 1,600/- being the estimated cost of the same may be sanctioned. A copy of his letter No. 1210 dated the 2nd Feb. 1935 received in the matter is sent enclosed herein for favour of information of Government. Apart from this, a sum of Rs 150/- is also required to meet the cost of the acquisition of the lands required for the Badanval Spinning Centre (Vide your letter No. D. 5757 I & C 77-23-5 dated the 28th Febry. 1935). The total grant required for meeting the expenditure on urgent work thus amounts to Rs 1,750/-.

I. a) Buildings	Rs 240/-		
b) "	150/-		
c) "	120/-		
d) "	300/-		
	-----	810/-	
II. Machinery		360/-	
III. a) Furniture and Cotton Store	230/-		
b) Yarn and Cloth racks	140/-		
c) Partition Screen	60/-		
	-----	430/-	

		1,600/-	

In regard to Item III (a) Furniture and Cotton Store at a cost of Rs 230/- included in the estimate, the Manager, Badanval spinning Centre, represented to me in his letter No. 1335 dated the 23rd Febry. 1935 that three boxes at a cost of Rs 200/- as per particulars furnished in the margin were urgently necessary as the loss due to the ravages of rats and mice had been increasing. I have therefore in anticipation of Government sanction permitted him to have these boxes made. I request that Government may kindly approve of my action.

3' x 6' x 6' each Rs 40/-	80/-
One Cotton Store 15' x 6' x 6'	110/-
Painting for all	10/-

	200/-

As the actual expenditure on furniture and cotton store is thus brought down to Rs 200/- as against the sum of Rs 230/- provided for in the original estimate, the total net amount on all items required will be Rs 1,720/- only.

I request that sanction of Government may kindly be accord -ed for a total capital expenditure of Rs 1,720/- on urgent items of capital expenditure in the Badanval Spinning Centre as mentioned above.

The entire amount of Rs 1,720/- will be met from the savings expected from out of the capital grant of Rs 42,000/- for the - - Porcelain Factory in the current year's Budget under "39 Industrial works - 2 Other works". This may also be kindly approved.

I have the honor to be,
Sir,
Your most obedient servant,
Abdul Rashid.
Director.

usc)3

1210

2nd February 1935.

To

The Director of Industries,
& Commerce in Mysore, Bangalore.

Subject:- Proposals for Capital expenditure during 1934-35, to be met out of accumulated profits.
Ref. 103/34-35 dated 23-1-1935.

Dear sir,

As per the copy of the letter of the Secretary, to the Development Department on the above subject, it is inferred that our accumulated profits up to the end of June 1934, have been adjusted in the Comptroller's books, and a new source or grant has to be found under Service head for any Capital expenditure needed. I beg to state that Government may be kindly moved to accept the policy of earmarking the profits of the Spinning Circle for being applied to the further expansion of the activities of the Circle, and for necessary items of Capital expenditure like machinery, buildings and furniture. Furniture is included for adequate permanent fixtures for keeping stock and store in proper safty and order in the Head-office and the branch offices. Under buildings, are included office and dwelling quarters at Badanaval Head-office, improvements and necessary extension to the Dye-house at Nanjanagud as work increases, and buildings for locating permanent branch offices, one on the Mysore Nilgiris road and another preferably at Terukanambi on the Gundlupet -Chamarajanagar road. At these places weaving operations are also conducted along with the yarn collection work, and at present, the rented premises are not convenient. Machinery covers the carding machines, dyeing digger and finishing machines all adopted to hand power. Each year, grants may be kindly sanctioned out of the profits appropriated.

In preparing the pressing needs for the current year, I beg to place the following items for kind sanction.

1. a) Buildings:- Dye-house. Plastering the entire inside of the walls with chunam mortar. The present mud-plaster, two and a half year's old is all cracked and has been the home of white ants, which damages our stock and store. A slight extension to the dwelling-quarter of the Dyeing-assistant is necessary to provide for a bathing-room. The total cost is estimated at Rs 240/-.

b) In Badanaval colony, one of the dwelling quarters meant for the Yarn-collectors being a temporary thatched shed, has been in dilapedated condition since the beginning of the year. Retaining as much of the old constructions as possible it is to be converted to a more permanent structure with ordinary country tiled roofing. A sum of Rs 150/- is required.

c) The dwelling quarters of the three other officials in Badanaval require the addition of a bathing room to each. It will consist of thatti walls and zinc-sheet roofing. This will cost Rs 120/-.

P.T.O.

d) A dwelling quarter for the use of the audit staff who come to Badanaval on continued stay has been a growing necessity. A unit is to be put up consisting mud walls and country tiled roofing with concrete flooring. This is estimated to Rs 300/-.

2. Machinery:-
a) Two carding machines instead of four as suggested before may be kindly got executed for which, estimate comes up to Rs 360/- as per previous bills of the Technical Institute.

3. Furniture & Cotton Store:-
a) For the proper and safe storing of cotton and yarn in Badanaval, Kabbahalli and Begur, big storage boxes out of angle iron zinc-sheets have to be errected. This is a very pressing need especially as stocks have to be protected against rats. The materials could thus also be kept under separate lock and key. The cost of three such boxes comes upto Rs 250/-.

b) In the branch offices, cloth is being kept for sale and proper rack arrangements have to be made and also at the Head-office in Badanaval, the stock of Khadi and yarn is being stored some how for want of adequate rack arrangements. The total amount of Rs 140/- may be kindly provided for these.

d) A partition screen made of expanded ~~xxxxx~~ metal is required in Stores-shed to devide and extend the Stores section in the Badanaval office shed.

1) a.	Buildings ..	Rs 240/-		
b.	" ..	" 150/-		Rs 810/-
c.	" ..	" 120/-		
d.	" ..	" 300/-		" 360/-
11)	Machinery ..	" 360/-		
111) a)	Furniture & Cotton store.	" 230/-		
b.	Yarn & Cloth racks	" 140/-		
c.	Partition screen	" 60/-		" 430/-
	Grand total	" 1600/-		" 1600/-

The idea of constructing quarters on the Begur - road side may be postponded to next year. The total cost involved in the revised proposals now sent is Rs 1600/- which may be kindly recommended to be sanctioned, the source being the same as the head to which the profits of the Centre have been appropriated by the Comptroller.

Yours sincerely,
S.V. Rajanandiyan

Manager,
Badanaval Spinning Circle.
